A MESSAGE FROM THE CHAPTER PRESIDENT

Members and Friends of the American Academy of Pediatrics, Maine Chapter:

It is my pleasure to invite you to attend the Spring Educational Conference on April 26-27, 2008. We are excited about the changes to this year's conference, starting with our new location at Sunday River. We hope this new venue will be a refreshing change and that you will enjoy the views, and perhaps the slopes, if the weather permits! We have also moved the date of the Spring Conference this year in order to avoid the Pediatric Professional Society meetings and secure expert speakers.

This Spring we are also piloting a partnership with the Maine Support Network to assist in conference preparation. Their staff routinely puts together workshops and conferences to support their many initiatives; you can find out more about them at www.mainesupportnetwork.org.

This year's topic of *Bright Futures, Foster Care, and Child Abuse Prevention* has brought together a diverse slate of presenters and topics that we hope you will find useful in your daily practice. On Saturday we will explore implications for clinical pediatric practice around child abuse prevention, the impact of abuse and neglect on child health and development, and strategies for the state and medical providers to improve care (and outcomes) for these children. Sunday will be entirely focused on a special program, the 6 G's of substance use prevention.

As usual, a variety of corporate, governmental, and nonprofit exhibitors will be present to provide you with the latest information about programs and products relating to medical care for infants, toddlers, children and adolescents. We hope you will take advantage of the exhibitors and visit them during your breaks.

At 7:00 on Saturday night, we invite you to our annual banquet and awards ceremony. Please be sure to sign up using the enclosed registration form to reserve a seat for yourself and a spouse or guest. Child care and youth activities will be available at Sunday River during that time, and will be paid for by the Chapter for all banquet attendees. Please sign your children up in advance so a space is reserved for them and Sunday River can ensure appropriate staff coverage.

I look forward to seeing you on April 26 & 27!

Sincerely,

Donald R. Burgess MD FAAP
